Our Coffee

Our Espresso coffee is a blend of
 30% Brazil Santos – 30% Honduras SHG
 30% Tanzania AA – 10% Washed Indonesia Robusta
 As a whole the blend is bright and fruity, with good sweetness and low acidity, notes of marzipan,
 hazelnut, mild chocolate and stone fruit should appear throughout the cup,
 with more citrus acidity at the front and a little earthy spice and liquorice in the finish
